

Education in Greece

Co-funded by the
Erasmus+ Programme
of the European Union

- Kindergarten 3-6 years old
- Elementary school 6-12 years old
- High School (Gymnasium) 12-15 years old
- Senior High School (Lyceum) 15-18 years old

- VET in Greece is state regulated
- responsible are the education ministry (in cooperation with the labour ministry)
- higher drop out rates due to:
 - sociological stereotypes
 - multiplicity of legal framework
 - linking to the labour market

VET School (education ministry in cooperation with the labour ministry)

► EPAL (3 years)

1st year basic subjects

2nd year → general education subjects

→ laboratories in their field

→ theoretical lessons in their field

3rd year → general education subjects

→ laboratories in their field

→ theoretical lessons in their field

Panhellenic exams (80% general school, 20% VET)

- ▶ If you don't pass → apprenticeship (7 hours per week school, 28 hours per week practice)

- ▶ At the end → 70 hours educational program → exams
→ certification (licence to practice your job, but not
able to open your own shop)

EPAS

EPAS (2 years)

after 1 year senior High School

2 years of technical School (lessons and labs of your specialty → graduate = licence to practice your job, but not to open your own shop)

Thank you – Ευχαριστούμε
Aegli Gouzgoureta- Domna Papavasileiou
